DEMONSTRATIONS

Like last year we would like to include some demonstrations and opportunities for people to try techniques at the Wool Market – these could be at stalls or in a separate area and could be ongoing/spontaneous or timetabled for set times.

Please let us know if you would be interested in this and we'll contact you to discuss it further. We aim to publicise the demonstrations both before and during the market.

MARKET DETAILS

A table and two chairs will be made available on each single stand and double that for double stands – tables are approximately 5ftx3ft. If you require more space or have particular needs please contact us to discuss.

There is limited access to access to power points in the Hall so please state on booking form if you need electricity and we will contact you to confirm/discuss.

Unloading/loading is to the side of the public hall. We will be available to assist/direct you. Please make your own parking arrangements after unloading. Suggested parking at Westbourne Car Park, West Street, PL14 6BW. Charges apply.
